COMMUNICATION RE: SUBMISSION OF FORMAL DRAWINGS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

The Notice of Allowance mailed April 20, 2004 indicates that the drawings filed on Oct. 20, 2000 are accepted by the Examiner. However, the applicant filed a corrected copy of Fig. 2 on March 7, 2001. Enclosed are 6 sheets of formal drawings for the above-identified application. This set reflects the amended Fig. 2 filed March 7, 2001. The corrected copy was filed because in preparing the formal drawing for Fig. 2, board 110 was inadvertently drawn showing the three lands 118 on only two levels. Three levels were shown in the original drawings, and are also described in the specification, page 5, lines 23-25. No new matter was added. A complete set of formal drawings, including the corrected copy of Fig. 2, is provided. The Applicant requests that these drawings be printed with the issued patent.
